The roles I have listed above are just preliminary. Based on our progress, needs, etc, you will likely work on several ideas; I just think a "divide and conquer" approach would be a good place to begin. Our first meeting will be on Monday, May 9 from 7-8:00 pm ET. If you are unable to attend, please let me know. Future meetings will likely be on Wednesday nights from 7-8:00 pm ET. An agenda for our first meeting and deliverables will be sent in a second message.

Again, congratulations! I look forward to working with this talented group :-)

Warmly,
~Noah
